*This year's Awards Banquet is being held at the Ryde Hotel. This California Delta landmark is located three miles south of Walnut Grove, on scenic State Highway 160. You will find the hotel in its peaceful setting on the orchard-lined banks of the Sacramento River. The brunch is buffet style and all items in the menu seen here are available on the buffet. For those golfing fans the Ryde has a 9 hole course available for the District guests at a cost of only \$8.00. So come early and play a round, or you could wait to work off the brunch. And if you can't make room on the scoot, the hotel has clubs available for us to use.*
